

## CITY OF LODI

## COUNCIL COMMUNICATION

AGENDA TITLE: Sale of Scrap Wire and Metal During 1995  
MEETING DATE: January 4, 1995  
PREPARED BY: Finance Director

RECOMMENDED ACTION: That the City Council authorize the sale of scrap wire and metal at periodic intervals during the calendar year 1995.

BACKGROUND INFORMATION: During the course of operations the City utility departments generate quantities of scrap wire and metal. Periodically, the City will sell such quantities to scrap metal dealers on a highest-bid basis.

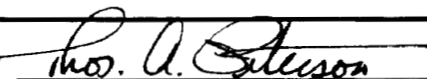

It is projected that the City will hold sale bids for scrap metal at least three times during 1995, in January, May, and October. Therefore, it is staff's recommendation that the City Council authorize advertisement and sale of scrap wire and metal, in accordance with City Code, as is necessary during calendar year 1995, and require report of all such sales within thirty days of their completion.

FUNDING: None required. Total revenue generated during 1994 from the sale of scrap wire and metal was about \$8,800.

  
Dixon Flynn, Finance Director
